Dear PHS Graduate,

Congratulations for achieving an important milestone in your development as a learner. We are proud of the contribution you have made while a student at Plainfield High School and encourage you to continue to build on your record of accomplishment.

Your work as a learner has just begun. More than half of you have decided to continue your formal education at a college or university; others chose to pursue technical career training and some have elected to enter the workforce or military. The reality is that all of these choices will require you to make an investment in furthering your knowledge. Life long learning is an inescapable reality for all of us in the Great Age of Information and Communications.

Your challenge as learners is not limited to the pursuit of academic and technical knowledge. Your learning needs include our development of wellness habits and routines that support social and emotional well being. As young people you have been exposed to far too many examples of the pain and agony that results when social and emotional health is impaired. Young people, as well as adults, must do a better job of supporting each other in this area and must pay greater attention to our own needs to work at social and emotional wellness.

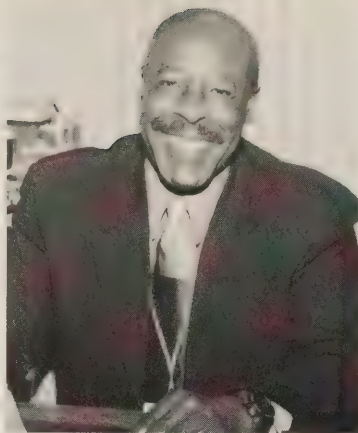

The members of the Class of 2001 are urged to become the knowledgeable, responsible, and caring citizens our families and communities need to navigate the challenges of the early years of the new millennium. You must learn to accept responsibility for doing "whatever it takes" to achieve academically, to grow socially and emotionally, to make responsible decisions for you and your families and to develop the skills and attributes necessary to become productive workers, citizens and family members.

There are three cornerstones that I believe to be fundamental to achieving your potential. First, you must have a personal vision for what you want in life. Second, explore your beliefs with an aim toward building a strong sense of faith - faith in yourself, faith in others and faith in areas related to spiritual growth. Finally, put forth the effort and work hard to achieve your vision. No pain, no gain! Vision, faith and effort are vital to your success as adults and contributing members of society.

Again, congratulations on your graduation from Plainfield High School.

Sincerely,

Larry Leverett, Ed.D.

Dear Class of 2001

Student Albert Lee Cox said "It is not enough to be good if you have the ability to be better. It is not enough to be very good if you have the ability to be great." As I congratulate the class of 2001 on behalf of the entire Plainfield High School family, I proclaim that each of you has the potential to be great. Anything less than greatness from all of you is unacceptable.

Truly, you are the first class of the New Millennium. Your exposure to the best teaching strategies, the latest in technological advancements and Multi Media has afforded you a quality education and put you in a "class" by yourselves. You are expected to take advantage of this newly acquired knowledge and remain at the top of your class.

This school year presented you with a special challenge — me, as your new Principal. The adjustments you made to conform to my administration prove that you have acquired the skills needed to become great.

Best wishes in all the years ahead. May they be happy and fulfilling ones for each of you.

Sincerely,

Otis Brown Jr.

Public Schools of Plainfield

NEW JERSEY

TO THE CLASS OF 2001

Advising the class of 2001 has been a most challenging and meaningful experience.

Always remember your many accomplishments this year.

You know first hand the meaning of the expression “no pain, no gain.”

Like your parents, we are proud of your determination and your achievements.

Continue to strive for excellence as you begin yet another chapter in your lives.

Rather than say good-bye, we’d like to say “Keep it Real” and farewell for now.

We love you. Always remember “on the run in 2G1.”

Mrs. Nubeja Allen
Mr. Ivan Johnson

D - stands for dreamy, down, and daring
 Anything he put his mind to he gave
 His everything
 He had much love to give, so with his heart
 He used to sing

A - stands for anxious, athletic, and ambitious
 He was so funny and likable, he
 Never had to fuss
 He pulled you in like wind in the dust

R - only stands for real
 The Bible says "Thou Shall Not Steal"
 So why did someone have to kill
 But he know what was right he know the deal

N - stands for nice, noble, and new
 He's not here, but if he was, to everyone
 He would say "Thank You!"

I - stands for energetic, entertaining,
 And excellent
 He was only 17, I'm sure this is not what he meant
 Meant when he went chasing waterfalls,
 Because he was sent
 I pray that all of involved will repent
 Repent for all your sins
 Understand that his life is over, but today
 Yours begin

I - stands for loving, likable, and life
 Long memory
 For those who didn't know him I hope
 You can comprehend and see
 See that I love him and he loves me

I - also stands for long lasting love
 He's looking down at us from up above
 He's holding on his hands a beautiful dove
 Still in class, I sometimes get sad,
 Because it's him I'm thinking of

"Let His Dream Live on Through You"

A sun named Darnell rose in the west,
 With a smile so bright our class named it the best.

August 6th was a dreadful day.
 It took a long time for us to realize it wasn't play.

Many still don't believe because it seems so fake,
 Only thing that helps us realize is the fact we're awake.

He was so talented, so special, and true,
 And that smile with rays that went straight through you.
 You would know it was him especially in baby blue.

He played football, basketball- whatever,
 But not only was he talented he was very clever.

He had so many tricks up his sleeve,
 You just wouldn't believe.

I know he's probably doing better than we are,
 It was only a matter of time before he got his first car.

We lost him over a bike,
 Just look at what today's life is like.

Things are getting way out of hand,
 It's becoming hard for us to understand.

But we can't just sit and stress,
 I'm sure that's not what he would want us to do,
 So just do your best
 -good luck in the future and let his dream live on through you-

By: A'leeya Mack
 c/o 2001

Though Darnell is no longer in our lives, it is evident that he is still in our hearts. Darnell received BEST SMILE, PRETTY BOY, & CLASS SWEETHEART in our class of 2001 senior superlatives. Rest in peace Darnell
